- Support Initiative for the Organisations for Promotion of Energy and Transport Technologies (CO-OPET)**  
European Commission, Directorate General Energy & Transport, 2005

---

- Pellets for Europe**  
European Commission, Directorate General Energy & Transport, 2005

---

- Development of a Distance Learning Training Structure on the Design and Operation of Hybrid Power Systems (HYPOS-DILETR)**  
European Commission, Directorate General Education & Culture, 2005

---

- Promotion of Renewable Energy and Development of Actions at a Community Level (PREDAC)**  
European Commission, Directorate General Energy & Transport, 2004

---

- Study tour of Welsh Planners - Presentation of Bavarian/Austrian Renewable Energy Technologies and Sites (with a Focus on Bio-Energy)**  
Welsh Assembly Government, 2003

---

- New Approaches to SME Co-operation**  
European Commission, Directorate General Energy & Transport, 2003

---

- Promotion of Geothermal Energy Utilisation in Turkey**  
European Commission, Directorate General Energy & Transport, 2003

---

- Wood Fuel European Catalogue**  
European Commission, Directorate General Energy & Transport, 2002

---

- Cross-border Organisation for the Promotion of Energy Technologies (OPET) Bavaria-Austria**  
European Commission, Directorate General Energy & Transport and Enterprise, 1991 - 2002

---

- Guide for the Training of Engineers in the Combined Heat and Power related Issues**  
European Commission, Directorate General Energy & Transport, 2001

---

## Referenzen - Internationale Projekte & Fördermittel Erneuerbare Energien

- Rehabilitation of Mini Hydro Power Stations**  
European Commission, Directorate General XVII, 2001

---

- Guide for the Training of Engineers in the Electricity Production Technologies from Renewable Energy Sources**  
European Commission, Directorate General Education & Culture, 2001

---

- FEMOPET Information Centre in the Building Sector**  
European Commission, Directorate General XVII, 2000

---

- Cross Border Geothermal Energy Utilisation in Simbach/Braunau**  
Cities Simbach and Braunau a. Inn, District Rottal-Inn, Upper Austrian Government, 1999

---

- Bavarian-South African Joint Solar Project (PRO-SOL)**  
Bayerisches Staatsministerium für Wirtschaft, Verkehr und Technologie, 1999

---

- Bavarian-Indonesian Joint Solar Project (BIG-SOL II)**  
Bayerisches Staatsministerium für Wirtschaft, Verkehr und Technologie, 1999
